NEW STUDENTS
WELCOME GUIDE

FIAT LUX
LET THERE BE LIGHT

UC Irvine
The university motto “Fiat Lux” is translated from Latin to “Let There Be Light” in a streamer that flows across the lower portion of the book. Above the book, a five-pointed star with rays of light streaming downward symbolizes the discovery and dissemination of knowledge.
GREETINGS!

University of California, Irvine, home of the Anteaters, is eagerly anticipating your arrival. This guide provides a pathway for you to complete your enrollment, arrive on campus and transition to UC Irvine with ease. In these pages are many of the exceptional services, programs and people that serve and assist new students like yourself so that you can quickly begin to feel right at home.

You are about to begin a very exciting journey. UC Irvine is a magnificent place to nurture your dreams and aspirations and we will provide you with academic and co-curricular experiences that will stimulate your intellect, ignite your passions, and quench your thirst for knowledge and information.

Uniquely threaded throughout all aspects of a UC Irvine education is the ideal that we are to continually improve the world in which we live through academic pursuits, service, innovation and research. At UCI you will graduate ready to make meaningful differences in your community as well as internationally.

By choosing to become fully engaged both inside and outside of the classroom, you will build new insights and gain in personal attributes. Now is the time to discover the world around you and the strength that comes from leadership and character excellence – the traits of UCI Anteaters.

We look forward to welcoming you on campus!

Best regards,

Thomas A. Parham, ’77 Ph.D.
Vice Chancellor Student Affairs
WE ARE EXPECTING YOU AT

UC Irvine

As a University of California, Irvine student, you will be an integral part of one of the preeminent universities in the U.S. Once on the UCI campus, you will discover there are many educational, social, and experiential opportunities for you to take advantage of that are truly remarkable.

UC Irvine is a vibrant global village. Over 80 languages are spoken on campus, and students come to UCI from nearly 100 foreign countries and across the United States. The campus is in the heart of California’s most diverse region and it embraces active involvement with local communities representing countries and cultures worldwide. The city of Irvine, consistently ranked as one of the safest large cities in America, has a highly diverse and highly educated population so you will feel right at home.
You are going to love our proximity to world-renown beaches, desert and mountain resorts, biking and hiking trails, cultural centers for the arts and music, the cities of Los Angeles and San Diego, and internationally famous destinations such as Disneyland, Hollywood, and Angel Stadium of Anaheim.

See you on campus – we are expecting you!

Connect With Us Online
www.admissions.uci.edu
The following information will guide you through the process of accepting your offer of admission to the University of California, Irvine. Log into your MyAdmission account at www.admissions.uci.edu for specific details. Be sure to regularly check the Message Center.

International students are to complete the steps for All Students in items 1-7 below as well as the steps specifically for international students that follow.

ALL STUDENTS MUST:

1. **Read your contract and submit your Statement of Intent to Register (SIR).**
   Your SIR and nonrefundable $100 Acceptance of Admission Fee (if requested) is the key to reserving your space at UCI. The freshman SIR deadline is May 1, 2014 or the date specified on your admission letter. The transfer SIR deadline is June 1, 2014 or the date specified on your admission letter. Submit your SIR online via MyAdmission at www.admissions.uci.edu.

2. **Submit your Statement of Legal Residence (SLR).**
   The information you provide on your SLR is used to determine your residence classification for tuition fee purposes. The freshman SLR deadline is May 1, 2014. The transfer SLR deadline is June 1, 2014. Submit your SLR online via MyAdmission at www.admissions.uci.edu.

3. **Submit your Housing Application.**
   In order to submit a housing application you must have submitted a positive SIR. The freshman deadline to submit a housing application is May 1, 2014. The transfer deadline to submit a housing application is June 1, 2014.

4. **Submit your official transcripts and test scores.**
   Official final high school and/or college transcripts, as well as all official final test scores such as SAT, ACT, SAT Subject, AP, IB must be sent to the Admissions Office. All transcripts must be received by July 1, 2014; all test scores must be received by July 15, 2014. If you are attending summer session, an official transcript is still required by July 1 showing all coursework through spring 2014. Official college transcripts for any courses taken during summer 2014 must be sent to the Admissions Office and received by September 15, 2014. International students are encouraged to request official transcripts early because it may take some time for schools outside of the USA to send your official transcripts to UCI. Failure to provide official transcripts may jeopardize your enrollment at UCI. (Note: students who did not attend four years at a high school in which the language of instruction is English must submit official test scores for an exam...
that clears the English Language Proficiency requirement by July 15, 2014. See www.admissions.uci.edu/prospective_international/language_proficiency.html for means to clear this requirement).

Mail official transcripts to:

Office of Admissions and Relations with Schools
University of California, Irvine
260 Aldrich Hall
Irvine, CA 92697-1075

5. Take placement test(s).

Many important courses require placement test results in order for you to register. In particular, writing courses often require a test result for registration. Placement testing is offered in conjunction with Student-Parent Orientation Program and International Student Orientation dates during the summer and September. Visit the Academic Testing Center website at www.testingcenter.uci.edu to obtain information about tests, testing dates, and a guide to which placement tests you may need.

6a. FRESHMEN

Attend Student-Parent Orientation Program (SPOP) or International Student Orientation (ISO).

New student orientation is mandatory for all freshmen. Please note that if you are an international student, you may choose from two orientation programs; the right program for you depends upon where you went to school prior to UCI.

The Student-Parent Orientation Program (SPOP) is a two-day-one-night orientation offered multiple times between mid-July and mid-August. Academic advising, signing up for fall classes, campus tours, social activities, and meeting current and new UC Irvine students are included in the SPOP experience.
The International Student Orientation (ISO) is a three-day-two-night program that offers many of the same elements as SPOP, but is tailored to the unique needs of international students who did not attend high school in the United States. ISO is offered once in September.

International freshmen who did not attend high school in the U.S. will be required to attend ISO. International freshmen who did attend high school in the U.S. will have the option of attending SPOP or ISO, but are encouraged to attend SPOP. Domestic freshmen are required to attend SPOP.

In order to enroll in courses for fall quarter, you will need to sign-up for orientation. If you are unable to travel to Irvine during the summer to attend an orientation program, you must request an Orientation Exception. The Orientation Exception Request form will be available online when your orientation reservation window opens. The date and time of your reservation window will be sent to you via email in early May.

For more information, please visit the orientation website at www.students.uci.edu/orientation.

6b. TRANSFER STUDENTS

Meet with your Academic Advisor and attend Transfer Success or the Transfer Student-Parent Orientation Program (TSPOP).

Meeting with your academic advisor is required to enroll in courses. Please contact your advisor to schedule an appointment. Visit www.admissions.uci.edu/counseling.

Transfer Success is a one-day orientation program specifically designed for new students transferring to the university. The program will be offered twice in July; attendance is optional, however we hope you will join us! Our goal is for your transfer experience at UC Irvine to be positive and enriching, academically and socially.

At Transfer Success you will be able to meet in an informal setting with other new transfer students. You will also have the opportunity to interact with currently enrolled UCI students and learn “survival secrets” from the pros!

TSPOP is a new two-day-one-night program for transfer students interested in a more comprehensive introduction to the university. TSPOP includes all the elements of Transfer Success plus a wide range of informational workshops and opportunities to make friends with new and continuing UCI students. TSPOP is also optional and will take place once during the summer.

Transfer Success and TSPOP do not include academic advising. All transfer students are required to make an appointment for academic advising with the school of their major. Appointments will be offered on a first-come, first-served basis.

Sign-ups for Transfer Success and TSPOP will begin on May 27, 2014 at 4 p.m. (Pacific Time). To sign-up for Transfer Success or TSPOP and to obtain program details visit www.students.uci.edu/orientation.
7. Pay fees.

Check your ZOT account online to see your registration fees and other charges, as well as any financial aid, waivers or payments credited to your account at https://zotaccount.uci.edu. Be sure to pay the amount due by the fee deadline to avoid late charges and dropped courses.

INTERNATIONAL STUDENTS MUST ALSO DO THE FOLLOWING:

8. Submit your Confidential Financial Statement (CFS) with signatures and dates, and financial documents. The freshman deadline to submit the CFS is May 1; the transfer deadline to submit the CFS is June 1. The CFS and financial documents received after the deadline will result in the delay of processing the I-20. **If you do not need to apply for the I-20, proceed to step 11.**

You will need an F-1 student visa to study in the USA if you do not have a visa status that allows you to attend school in the USA. The I-20 will allow you to apply for the F-1 student visa. If you are already in the USA in F-1 student visa status, you must request an I-20 from UC Irvine, transfer your I-20 visa document and release your F-1 SEVIS Record to UC Irvine.

Go to your MyAdmission account on the Admissions website at www.admissions.uci.edu to access the CFS.

Follow the instructions, print the entire CFS, and obtain required signatures with dates.

a) Ensure all signatures and stamps exist.
b) Email to docs@applyucsupport.net
c) On the subject line include your Application ID# and the word “CFS”:
   Appl ID# (your Application ID#) - CFS

Be sure to use your Application ID number, not your UCI Student ID number.
9. A scanned passport biographical page is required to be submitted to the UCI International Center for issuance of an I-20 visa document. For further instructions, visit www.ic.uci.edu.

10a. If you live outside of the USA and need to obtain an F-1 student visa you must also:
1. Check the mail for your I-20 visa document.
   Once your CFS and financial documents have been submitted to docs@applyucsupport.net, and your passport biographical page has been submitted to the International Center (instructions available at www.ic.uci.edu to submit a scanned copy), and all are received and verified as complete, the International Center will process your I-20 visa document within 3 weeks and mail it to the address stated on the CFS.

2. Apply for the F-1 student visa.
   Students without an F-1 visa need to apply for one. After you receive your visa document I-20, you may apply for an F-1 visa. Visit the U.S. Department of State website http://travel.state.gov/visa/temp/types/types_1268.html.

10b. If you are currently in the USA and have an F-1 visa you must also:
1. Request a release of your SEVIS Record from your current school to UC Irvine.
   Students with an F-1 visa currently in the USA must complete the Student and Exchange Visitor Information System (SEVIS) Record Release Form. The form is available on MyAdmission via www.admissions.uci.edu and on the International Center website at www.ic.uci.edu. **Note:** Failure to follow the instructions will delay the processing and mailing of your I-20.

2. Check the mail for your I-20 visa document issued by UCI.
   Once your CFS, financial documents, passport biographical page and SEVIS Record Release Form have been received and verified as complete, the International Center will process your I-20 visa document within 3 weeks of your SEVIS Record release date and mail it to the address stated on the CFS as long as all information is complete.
10c. If you live in the USA and plan to change to F-1 visa status you must also:

1. Plan to travel outside of the USA for an F-1 visa or you must file a change of status application with the U.S. Citizenship and Immigration Services (USCIS).

2. Contact the International Center at internationalcenter@uci.edu for additional information.

11. Attend an International Center Check-In Session.

All new international students are required to attend one International Center Check-In Session to report your arrival at UCI. During the session, International Center advisors will review immigration requirements and assist you with a successful SEVIS check-in process.

Dates and times for fall 2014 Check-In Sessions will be available on the International Center website www.ic.uci.edu.

For more information about the International Center and other programs that they offer, please visit www.ic.uci.edu.
SUMMER PROGRAMS FOR
FRESHMEN & TRANSFER STUDENTS

Freshman Summer Start Program
August 2 – September 11, 2014
Build a foundation for your success before fall quarter begins! As an incoming student at the University of California, Irvine, you are invited to join the Freshman Summer Start Program, an innovative, experiential opportunity that will provide you with a rich academic, social, and personal foundation for your undergraduate years at UCI.

By the time fall quarter begins, you will be acquainted with the campus and local community, have gained confidence in meeting and speaking with professors, and become part of a close-knit group of incoming students.

In addition to getting a head start on your university coursework and graduation requirements, the program’s special workshops and sessions will help you adjust to university life. Activities include: orientations to campus resources; introduction to the Undergraduate Research Opportunities Program (UROP); and study skills workshops, including sessions on exam preparation, time management, and academic reading. The lecture series, INSIDE UCI, provides you with an introduction to research projects and faculty from all 10 of the university’s academic schools.

There are different academic offerings depending on the Freshman Summer Start Program pathway that you choose. For more information about these pathways and the Freshman Summer Start Program, visit summer.uci.edu/freshman.
International Freshmen
The Freshman Summer Start Program has a special pathway available for international students called Early Start International which will help you transition to campus, the university, and American life. You will also acquire the necessary skills to be successful at UCI and have the opportunity to build relationships with other international and American students.

International Freshman Summer Start students enroll in two courses:

**University Studies 84: Bridges to University Success** (4 units of academic credit)
The course is designed to help first-year students make a successful transition to UCI and to develop strategies that will enhance their university experience. Through lectures, discussion, course assignments, and activities, you will learn about campus resources and programs that support your transition and enhance your academic development. Writing assignments will introduce you to university-level writing expectations, which the majority of UCI students find challenging at first.

**AND**

**Academic English 22B: Reading and Vocabulary** (2 units of academic credit)
Learn to speak and understand English with more confidence through extensive reading and discussion with emphasis on journal articles, textbook chapters, note-taking, and the interpretation of charts, diagrams, tables, and figures.

For more information on the Freshman Summer Start Program pathway for international students, visit summer.uci.edu/freshman.
Transfer Summer Start Program
Session I: June 22 - July 31, 2014
Session II: August 3 - September 11, 2014
Build a foundation for your success before fall quarter begins! As a newly admitted student transferring into the University of California, Irvine from another college or university, you are invited to join the Transfer Summer Start Program. This innovative, experiential opportunity will provide you with a smooth transition to the university and help you to establish a rich academic, social, and personal foundation as you embark on your new academic career at UCI.

In addition to getting a head start on your university coursework and graduation requirements, you will also learn how being a successful UCI student may differ from your strategy for success at your former school. You will be part of a smaller community of transfer students at a time when the campus is more relaxed and will become familiar with the academic rigor and social scene of UCI with maximum opportunity and support.

Make the most of your years here by participating in the program's special workshops and sessions on university life such as orientations to campus resources, networking with faculty, career planning, undergraduate research opportunities, and involvement in leadership development programs. The lecture series, INSIDE UCI, provides you with an introduction to research projects and faculty from all 10 of the university's academic schools.

Transfer Summer Start students enroll in Social Sciences 89: Transfer Summer Start Seminar (2 units). This course is specially designed for Transfer Summer Start students and is available only to students enrolled in the program. Most students choose to take this course and a 4 unit elective.

For more information about the Transfer Summer Start Program, visit summer.uci.edu/transfer.

International Transfer Students
The Transfer Summer Start Program has a special pathway available for international students called Early Start International which will help you transition to campus, the university, and American life. You will also acquire the necessary skills to be successful at UCI and have the opportunity to build relationships with other international and American students.

International Transfer Summer Start students enroll in:

Social Sciences 89: Transfer Summer Start Seminar (2 units of academic credit)
The course is designed to help students make a successful transition to UCI and to develop strategies that will enhance their university experience. Through lectures, discussion, course assignments, and activities, students will learn about campus resources and programs that support their transition and enhance their academic development. Students will also develop a personal action plan to guide their career at UCI.
A UCI credit course (most courses offer 4 units of academic credit)

Students may choose to additionally enroll in the following optional course:

**Academic English 22B: Reading and Vocabulary** *(optional, but highly-recommended; 2 units of academic credit)*

This course is for students who need some extra practice with their English. You will learn to speak and understand English with more confidence through classes that focus on real-life communication in lively learning activities. These classes will focus on idioms and vocabulary, reading and writing, and speaking and listening.

For more information on the Transfer Summer Start Program pathway for international students, visit summer.uci.edu/transfer.

**Summer Session**

Summer is a great time to learn! UCI Summer Session makes it possible for students to make progress towards their degree year round. Choose from over 800 courses across 70 academic disciplines, including online classes, general education requirements, or coursework for your major or minor.

Summer Session I: June 23 - July 30, 2014
10-Week Session: June 23 - August 29, 2014
Summer Session II: August 4 - September 10, 2014

If you are interested in attending Summer Session, visit summer.uci.edu and follow us on Facebook at facebook.com/UCISummerSession.
Campus Organizations
The Office of Campus Organizations enriches the involvement of students through outreach, education, and support. As an incoming student, we encourage you to get involved with a campus organization. With more than 600 registered campus organizations, you can find a group that shares your interests, whether they are academic, environmental, multicultural, political, recreational, sports, religious, service, social, athletic, or in Greek fraternities or sororities. You can also start your own campus organization!

In addition, you can get involved with a leadership opportunity within our department serving as a CORE (Campus Organizations Resources and Education) consultant or volunteer. To learn more about the campus organizations or involvement opportunities, visit www.campusorgs.uci.edu.

International Center
The International Center provides student-visa advice and support; and offers programs and activities that support your transition to UCI, build upon your leadership skills and encourage you to become an engaged member of the UCI community. International Center Programs encourage students to engage in international education and intercultural learning. Some of these programs include:

I-STEPS (International Students Transitioning to Educational and Personal Success)
I-STEPS is a course assisting first-year international students with transitioning to life in UC Irvine and the United States. Each week, students learn about a different campus resource and engage in discussions on how to succeed academically and socially at UCI.

English Conversation Program (ECP)
ECP is a program that provides international students the opportunity to practice and improve their conversational English, with the assistance of English conversation partners.

In addition, there are a variety of activities, trips, workshops and events planned throughout the year. For more information on these programs, visit www.ic.uci.edu.

International Peer Group (IPG) Program
IPG provides both academic and social support to engage international students in UCI’s vibrant campus life and help them create solid relationships in their new environment. Learn more about this outstanding student resource at www.due.uci.edu/ipg.

Welcome Week
Welcome Week, which will be held September 29 - October 3, 2014, is filled with events that showcase campus resources, student organizations, student talent, and many opportunities for new students to meet and interact. Come see how you can get involved on campus during the Anteater Involvement Fair, held on September 29 in Aldrich Park!
New Student Convocation
The official opening ceremony of the academic year is held on the Monday of Welcome Week. Be sure to join us on September 29, 2014! A “must” for new students to see the Chancellor and Deans kick off the new school year.

Shocktoberfest
A fun-filled, Halloween-themed event attended by thousands of students, Shocktoberfest consists of an outdoor street festival with music performances, campus organizations and sponsor booths, and a UCI basketball teams exhibition.

Rainbow Festival and Conference
One of UCI’s most festive traditions, the Rainbow Festival and Conference is an enriching campuswide celebration of cultural and ethnic diversity.

Homecoming
Celebrate Anteater pride during the men’s basketball game with students, faculty, and alumni. Experience an afternoon of games, prizes, entertainment and food.

Greek Songfest
Greek Songfest is a student run year-long philanthropy supporting an Orange County nonprofit that has truly become one of the most inspiring and enjoyable traditions on campus. Each school year campus fraternities and sororities spend the year raising money, collecting donations, and participating in hands-on community service. Greek Songfest, a campus tradition for 35 years, culminates in May with the Broadway Musical showcase. Students create and perform 12-minute renditions of Broadway musicals complete with sets, costumes, complex choreography and lighting designs.

Celebrate UCI
This annual spring event features an outdoor festival, open house, and car show. Wayzgoose, UCI’s oldest tradition, is a student run festival in Aldrich Park filled with live entertainment, food, games and more!
OFF CAMPUS
LIFE

Moving to a new place is an exciting adventure and UCI’s location is one of the campus’ great advantages. There are many restaurants, shopping centers, and entertainment venues to explore in the surrounding area. Bus, train and airport services are also close to campus.

ARRIVING IN
SOUTHERN
CALIFORNIA

FOR ALL STUDENTS

Getting to the UCI campus:
Los Angeles International Airport (LAX) is the closest airport to UC Irvine with extensive international flights and it is 40 miles north of campus. The closest regional airport is John Wayne Airport (SNA), which is three miles from campus.

There are multiple transportation options for you to choose from to get to UC Irvine, such as renting a car or traveling by bus, taxi or shuttle. If you would like to book a Super Shuttle to UCI, please go to www.supershuttle.com or call 1-800-258-3826.

Additional transportation arrangements can be made in advance through the website for each airport.

John Wayne Airport  Los Angeles International Airport  Long Beach Airport

A few hotels close to campus:
If you arrive at night or are planning on arriving a few days early you should make reservations at a hotel in the area. Make sure to request UCI rates for any special discounts!

Courtyard Marriott – Irvine  Hotel Irvine – Irvine  Radisson Hotel – Newport Beach
2701 Main Street  17900 Jamboree Road  4545 MacArthur Boulevard
Irvine, CA 92614  Newport Beach, CA 92614  Newport Beach, CA 92660
949-757-1200  888-230-4452  949-833-0570
When you arrive at UCI:
You should get some rest, start to unpack and settle into your residence hall. If you would like to check out UCI’s housing before you arrive on campus, please visit the housing website at www.housing.uci.edu.

FOR INTERNATIONAL STUDENTS

When you exit the plane:
You will be directed by airline personnel to the Immigration Station to clear your stay with an immigration officer. Please have the following items ready to show the immigration officer:

- Passport
- SEVIS I-20 visa document
- Proof of financial support
- I-901 Receipt of SEVIS fee payment
- Admissions Letter

After you pass through immigration, please proceed to the baggage claim area to pick up your luggage. Once you have picked up your luggage, proceed to the Customs Desk and present the following documents:

- Passport
- Customs Declaration Form (provided by your flight attendant on your aircraft)

If you have any questions concerning U.S. customs regulations, please consult with the U.S. Embassy or Consulate in your home country.

If you need a contact person on campus:
Please call the Office of Admissions and Relations with Schools at 949-824-6703, Monday through Friday, 8 a.m. to 5 p.m., for assistance.
FALL 2014
